S. No.	Query/Suggestion	Remark
1	<p>We Tripurainfo Web Services Pvt. Ltd. are a newly formed company registered under Companies Act(2013) and as such we do not have the required financials in accordance with the requirements of the RFP. However, Tripurainfo.com, which is a proprietary enterprise registered under MSME has got the required financials for the last 3 years along with positive net worth as required. Can these two form a consortium to bid for the NEBPS.</p> <p>Suggestion: We humbly request you to kindly allow us as a special case to participate in this RFP as a consortium between Tripurainfo.com (an organisation registered under MSME) and Tripurainfo Web Services Pvt. Ltd (a company registered with the RoC). We request you to accept the 3 years financials of Tripurainfo.com as a special case as the organization has been extensively engaged in BPO activities for many years in Agartala, Tripura. All other criteria remains fulfilled and Tripurainfo Web Services Pvt. Ltd. shall be the lead partner in the consortium with 26% equity for the period of next three years.</p>	<p>Companies which can not meet the financial eligibility criteria as per RFP and entrepreneurs may form a consortium with and eligible Indian company to participate in NEBPS.
